## **Brad Hankee**

# Software Engineer

907-691-5943 | Brad.Hankee@gmail.com

Github: github.com/bhankee | LinkedIn: www.linkedin.com/in/brad-hankee

#### **Skills**

Next.js | React | TypeScript | Python | Scalable UI Architect | Remote Team Collaboration

### **Work Experience**

#### Senior Front End Developer

The Dyrt

Mar 2022 - Jun 2025

- Built and maintained frontend codebase in TypeScript, NextJS and React, improving scalability and long-term maintainability.
- Optimized Core Web Vitals (reduced bundle sizes, compressed assets, improved load times), driving faster, more responsive UIs.
- Translated Figma prototypes into production-ready React components, ensuring precision across multiple UI states (hover, active, loading), themes (dark/light), and devices.
- Partnered with backend engineers on seamless **API** integrations and with DevOps on secure deployments.
- Enhanced user engagement by delivering real-time features that increased reservations.

Web Developer DataXstream Oct 2018 - Feb 2022

- Worked with clients to refine and manage requirements and deliver solutions to increase business value.
- Go from prototype to production in adding client specific features to enhance their business needs.
- Mentored junior developers and managed their pull requests to promote best practices.
- Work with SAP functional experts to ensure back-end and front-end are integrated efficiently and securely.

#### Head Instructor / Developer

Vets Who Code

Jan 2018 - Aug 2020

- Led Instruction Team for bootcamp students in web development utilizing JavaScript, React and GraphQL.
- Open source contributor to company site aiding in transitioning to JAM stack utilizing React in a static site generator for increased speed and user experience.

#### Senior Full Stack Tutor

**Trilogy Education** 

Dec 2017 - Jan 2019

- 300+ hours of mentoring students in full stack web development (JavaScript, SQL, React, Node, APIs).
- Emphasized unit testing and TDD principles to promote high-quality, maintainable code.

#### Education

Web Design and Technologies	University of Maryland Global Campus	2016 - 2017
Web Development	Vets Who Code	2017
Master of Business Administration	University of Maryland Global Campus	2008 - 2012
Bachelors Marketing	Kutztown University of Pennsylvania	2001 - 2005
